This year is flying by. It is hard to believe that 2019 is quickly coming to an end. We have been busy over the last few months with several youth camp and mission conferences. We had the opportunity to spend time with some other missionary family and enjoyed some much-needed fellowship. What a blessing it is to serve beside some GREAT men and their families.

### *He Loves Even Me*

We now have 4 girls enrolled at AOH. Feven, Autumn C, Aubree, and Autumn F. Yes, roll call tends to be confusing sometimes. Please pray for these young ladies. We had one that admitted that she was lost, please pray that the HOLY GHOST will set conviction in her heart and she will be saved very soon. We have several families that have requested applications, please pray that God will give us discernment and direction on these applications.

### *We Are So Blessed*

There has been \$1500.00 given towards our van. We currently owe \$12,000. Our monthly payments are \$339. If you would to give toward this need. please contact us and we will get that information to you. There is \$2100 still needed for the back porch, and we also still need some volunteers to help construct it. We will be putting the finishing touches on the school. We are about 85% finished with it. We have mostly trim work left to do for it to completed. Also, please continue to pray that the Lord will send someone that has a heart for our ministry to help us. We're expecting several young ladies to be enrolled early next year. We still need monthly support for the home. Please be in prayer for this as well.

### *God is so Good*

There is some property that is located directly across from the home. It is our prayer that it will come available to purchase. This will be a big asset to the home. We will use this to build tiny homes for parents to stay and visiting preachers. Amazon had updated their wish list, it is not as easy to access, you much have a link sent to you by email or text, if your interested in purchasing from our Amazon wish list, contact us for that special link.

### *He is Faithful*

We have a busy schedule for the rest of this year. Please pray for safety as we travel and souls to be saved.
