Hello Praying Friends and Faithful Supporters

We pray that all is well, and the New Year has been a blessing to you. The year seems to be going by quickly. Due to COVID-19, we have been quarantined at home, but that has been a blessing. The Lord has allowed us to spend some much-needed quality time together and we have been able to complete some projects and do some much needed home improvements and maintenance on our house, as well as the girls home. God is so Good to us.

We Stand Amazed

We are rejoicing in the Lord, that through His faithful servants, and giving hearts, HE paid off our van. We are grateful, that a precious and dear family, donated a brand-new refrigerator to our school, and another church bought us one for the girls' home. We stand amazed, and are thankful, He supplies our EVERY single need. Please continue to pray for a dorm Mother. There is a great number of young ladies that need spiritual help and guidance, and as this ministry grows, we will need help in caring for them and giving them the biblical instruction, they need. Our prayer is that God will fill someone's heart with this ministry. God already knows exactly who they are. Will you pray for her, and that GOD will send her right on time? Also, there is some land that joins our property, will you pray that if it is God's will, that He will allow is to buy it. We can purchase this property for \$2600 an Acre. If you would be interested in helping with this need, please contact us.

His Goodness is Everlasting

The girls that are enrolled at AOH is doing very well. They are seeing prayers answered and God doing big things in their lives. In February, our newest girl, Chloe accepted Christ, and got born again at a church in North Carolina. We praise His Holy Name for that answered prayer. While spending some time at home. We were able to finish the school. We are officially having class there; and the girls are loving it and are thankful for the nice building with the extra room.

His Grace is Sufficient
