

# The COKER Family

July - September 2016

## *Hello Praying Friends and Faithful Supporters*

We have been extremely busy over the past few months. The Lord has done great things for us and for that we are truly thankful. We were blessed to be part of two youth camps, mission conferences, tent meetings and revivals. We have seen the Lord work in the heart and lives of several people. We also had the honor to lead three young people to the LORD!

We are excited to report that approximately 30% of the funds needed for the material to construct the framework on the home and school has come in. We are watching God build a girl's home right before our eyes! Please continue to pray that the funds will continue to come in to construct these buildings. It is our prayer that the financial needs are met soon, so that the construction on the framework can begin in December.

Thank you for helping us pray about the paper work. It is finally complete! **Praise the LORD.** But the most excited thing to announce, is we're now accepting applications to enroll young ladies! Until the facility is completed, we will bring these young ladies in to our personal family home. We can enroll up to four girls. These young ladies will be 12 years old or younger. Once the facility is built we will be able to accommodate about 20 girls. We are fervently praying that the Lord send us who HE wants us to have, when HE wants us to have them. Please help us pray for these young ladies and their families.

We have traveled to several states preaching the gospel and presenting the ministry. We are honored that we have new partners, friends and prayer warriors. We are now at 70% for our need support. To God be the Glory. Please continue to pray for our safety. We will be traveling a lot the rest of the year.

Our daughters are doing great! They both are busy with school work and we as a family are currently enrolled in a bible college through a local church. They love traveling to the meetings, and making new friends. Please keep them in your prayers as they continue to serve and grow in the Lord!
