October - December 2015

Hello Praying Friends and Faithful Supporters

We hope that all of you had a wonderful and joyful Christmas, and we pray that you will have a blessed and prosperous New Year. What an AWESOME year this has been! As we look back on 2015 the Lord sure has been faithful to us. He has done big things in our ministry; He has provided us finances for land, building materials, a water well and countless accounts of volunteer labor. And for that we are grateful and give HIM all the glory! We so excited to see what He has for us in 2016. The Lord has faithfully continued to work in our finances; we are now at approximately 39%. PRAISE THE LORD!

We want to say "Thanks" for those who sent in the funds to help meet the need of the building materials. Though your hands, and prayers, God supplied EVERY NEED. The sheetrock is finished and painted, the doors have been hung and the flooring has been laid. We still have some trim work to do, but are excited that the Lord has allowed us to get this done quickly.

We have traveled a lot in the past few months. We have been in meetings in Alabama, Louisiana, Texas and Arkansas. We are excited that we have had several churches partner with us. It was a great privilege to be in several mission conferences, and an honor to preach chapel at a Christian school in south Texas.

The water well has been installed on the Girls Home property. We are currently working on the legal aspects of the ministry. It is taking some time to get this completed, however, this is a major part of ministry and we must make sure that all paper work is legal and in order. We also are currently working on finalizing the blueprints of the facility. We ask that you help us pray that the Lord will guide this process, and this home will be built to His standards.

We praise God that we will be busy traveling the next few months. We ask that you pray for traveling grace, open doors and opportunities to preach, present and share God's Word. We ask that you continue to pray for the girls and the families that the Lord will send to Anchor of Hope.

Praise God SaVannah has completed her senior year of high school. We are so excited that she will now be with us on the road fulltime. We also want to praise the Lord, that after several weeks of evaluation, Rachel's cardiologist confirmed that her heart condition was nothing uncommon, and she will outgrow the symptoms.
