

# The COKER Family

*Hello Praying Friends and Faithful Supporters*

*April-June 2019*

What a busy summer this has been. But God has been doing some amazing things. We have been in revivals', youth meetings, and youth camps. Once again, we have seen God do some amazing things. We have had new churches as well as individuals to partner with us. For that, we are truly grateful.

***Praise to His Lovely Name***

The school building is nearly complete. We are currently laying carpet and installing plumbing fixtures. It is our prayer that we are moved in the school by the beginning of September. We praise the Lord that all material and supplies have been donated or purchased by Gods people. We excited that at this moment there is not a material need for the school. However, if you would like to help with the completion of it, please contact us.

***He Is Always Faithful***

We currently have 3 girls. One of them made a profession of faith a few weeks ago. Please pray that it is real, and that God will work in her heart and we will see fruit. We will be enrolling a new girl mid-August. Her name is Aubree. Please pray for her and her family as she makes the transition to AOH. We are currently talking with 5 more families. Please pray for decrement and wisdom for these young ladies. We want nothing more than HIS will to be done.

***We Are So Blessed***

God has allowed us to purchase a 2016 Ford Transit. The total cost of the van was \$23,500. Gods people has graciously given \$10,000. We currently owe \$13,500. Will you help us pray that the finances will come in to pay the loan off. We also have added some things to our amazon account, such as school supplies, and necessities for the home. If you would like to help in this matter, log into amazon and search of Anchor of Hope girls' home, Lucedale, Mississippi.

Due to some unseen water damage, we are in urgent need of a back porch on the girl's home. If you would like to help financially or with labor, please contact us.

***Its Worth Every Mile***

Both of our daughter will be beginning a new semester of college soon. SaVannah will work on her bachelor of Arts in Elementary Education and Rachel will Graduate in May 2020 with an Associate of Arts in Accounting. Please pray for them as they continue to work with us and follow Gods will for their lives.
