Hello Praying Friends and Faithful Supporters

It is our prayer that this newsletter finds you all doing well. We have been extremely busy since our last update. Along with continuing to work on the construction of the girls' home, we have been in missions meetings, youth camps, revivals and tent meetings. We seen several people get saved.

God is so Good !

The Lord has allowed us to get a lot accomplished on the construction of the Girls Home facility. We are truly grateful for what the Lord has been doing for us. Thanks to the help of many volunteers, the Sheetrock is hung and finished, the A/C unit has been installed, the floor covering has been purchased, and the walls are being painted.

He is ALWAYS faithful!

We are truly grateful for our faithful supporters, and constant prayer warriors. It is by your financial commitments and fervent prayers that have encouraged us to do what God has called us too.

He has supplied our EVERY need!

We had the great pleasure of spending a week with Brooke, the young girl we have been praying for since our ministry began. She was able to attend a youth camp with us in Georgia, and she was gloriously born again. We were so honored that we were able to spend some time with her, and lead her to the Lord.

Bless His HOLY name

We would ask that you continue to pray for the necessary appliances that we are required to have. We need commercial equipment such as a stove, dishwasher, freezers, refrigerators, washers and gas dryers. We also need furniture to accommodate a two bedroom apartment for the mothers dorm. Also, please pray for a house Mom. This is a very important decision we must make. Pray that the Lord gives us guidance and discernment as we have many important decisions we have to make.
