

The COKER Family

Hello Praying Friends and Faithful Supporters

April -- June 2017

We pray that all is going well with each of you, and you're enjoying your summer with family and friends. God has really been good to us! Due to having two girls enrolled now, our travels have slowed down some, to allow them to get adjusted and settled. But we are extremely grateful that we have been able to spend some time at our home church and be a part of some local meetings.

Although progress has been slow since our last update, things are still coming together for the facility. The insulation as been blown in the ceilings and the outside walls, some interior doors have been donated, money has been given to buy some beds and mattresses, and the funds have come in to purchase the A/C units, sheetrock and some of the flooring. We will be busy for the next several months with completing the interior insulation, having the Air conditioning units installed, and the sheetrock hung and finished. Please pray for labors to help in installing the sheet rock and the flooring.

We are excited to see that God is continuing to raise our support. We are currently at 91%. We are thankful and bless his Holy name for showing our family favor and supplying our every need. Please help us pray that God will continue to open doors for us to preach God's word and present the burden for the ministry.

With all the exciting things God has been doing for Anchor of Hope, the best news is that Amber, our first girl that was enrolled, she accepted Christ as her Saviour, and was gloriously saved in April, and will be baptized the first week of August. Jazmine is adjusting well. Help us pray for the Holy Ghost convection, to arrest her soul and she will be saved soon.

WE HAVE BEEN BLESSED, GOD IS SO GOOD TO US.

Please help us pray for the following needs for the home. Commercial kitchen appliances (gas stove, dishwasher, freezers, refrigerators, washers, gas dryers), dishes for the kitchen (pots, pans, and bake ware), and furniture for the dorm mother's apartment, and the facility family room.

If you or your church would like to volunteer labor, or tour the facility, please contact us by phone, text or email. We would love for you to be a part of what God is doing in South Mississippi !
