

The COKER Family

April-June 2020

Hello Praying Friends and Faithful Supporters

We pray that all is well, safe and healthy. While we are living in uncertain days, in uncertain times, in an uncertain world, we are thankful for a Certain, on time, never-failing, always forgiving, unconditional loving God that protects us and supplies our every single need. God has been SO good to us. There could never be enough words to express our gratitude and thankfulness to HIM. His love and mercy NEVER EVER FAIL.

God Is Good

Travels has been slow because of the COVID19. But we were able to visit a few churches, attend a jubilee, and update at several others. We have completed some minor projects on the home and at the school while we have been stationary. We have had the opportunity to spend some time at our home church, fellowship with our church family, and listen and absorb the preaching from our pastor. Sometimes, just being at home (church) does you really good. We are extremely blessed to call Calvary Missionary Baptist Church, home. We are very grateful for our pastor, his family, and our church family.

God is Great

During the past three months, we have received an abundance of calls and emails from families inquiring about enrolling their daughter. We currently have applications out. PLEASE PRAY God will give us discernment and guidance on which ones we should enroll. It would be our hearts desire to take every girl we receive an application on, but we want the will of God on every application. We currently have 3 young ladies. Some of them are growing leaps and bounds spiritually, while others are struggling for various reasons. Please help us pray for them to get victory over some strongholds and pray they will accept Gods plan for their life. Sunday July 12, we will be having baptism for a couple of the girls. These girls have made professions of faith, and we have watched them spiritually grow and mature in the Lord.

God is Gracious
