Hello Praying Friends and Faithful Supporters

This summer has quickly gone by. We are thankful for the time we have been able to spend at home and at our home church. There is truly no place like home. The Lord has provided us with excellent health through this pandemic. God is so good to us.

We have enjoyed having class in our new school. The girls are enjoying the extra space. We are grateful for those that has sacrificed their time and given finances to allow is this blessing.

Jesus Never Fails

We are thankful for the meetings we have been able to be a part of the past few months.

We have been in new churches, youth camps, camp meetings, revivals and we were also able to update at a few supporting churches. We have recently started construction on a covered carport at the girls' home. The concrete has been poured, and materials have been purchased. If you or your church would like to help in this building project, please contact us. We are also in need of some extra storage space, so we are looking to building a shed. Please help us pray for material and labor for this project.

Gods Grace Still Amazes Me

We have enrolled 3 new girls and another returned home with her family. Verbal reports say she is doing well. Please pray that she will stay focused on the spiritual things and Gods will for her life.

We currently have 5 young ladies: Eva, Maria, Autumn, Chloe, and Frankie We baptized two girls in August and another made a profession of faith in

September. We currently have several families that is interested in enrolling their daughter. Please help us pray over these applications and God will give decrement on which young lady to enroll.
