

Fall 2015

*Hello Praying Friends and Faithful Supporters*

This year is quickly coming to an end. As we look back on the past 12 months, we realize just how AWESOME our God really is. He has been so good to us. He has continued to supply our every need. We have been blessed by so many people with faithful support, fervent prayers, and generous gifts.

We have had the pleasure of being in meetings in Georgia, Tennessee, Alabama, Louisiana and Mississippi. We are so thankful that we have had several churches and a few individuals to partner with us. While attending youth camps in Georgia, we saw some young people saved, some surrender their life to Christ and several young men surrendered to preach. Hallelujah. While we were back home in Mississippi, during the month August, we had the opportunity to go in to the local jail and preach to the men and women and seen several born again!

The Lord has faithfully continued to work in our finances; we are now at approximately 34%. PRAISE THE LORD!

The construction of our home is still underway. We have about 70% of the flooring laid, the counter tops have been installed, and some of the doors have been hung. Sheet rock has been hung in the upstairs rooms, and is in the process of being mudded, sanded and painted. The funds have been raised for the water well to be drilled, and we are looking for that to be completed by the end of October.

Please help us pray for the finances of a septic tank. It will cost \$2175. Also, please continue to help us pray as we prepare the plans for the facility, the finances that are needed and faithful servants to work in the facility. Please pray for each girl, (and their families) that will be enrolled in Anchor of Hope. Also please pray that God will continue to open doors so that we may share our burden. We ask that you continue to pray for Brooke and that she would be delivered from her situation.

Our daughters are doing great. SaVannah is in her senior year of high school. She will graduate in December. We ask that you say a special prayer for her as she seeks God's will in her life and she discerns the next step to take. Rachel is enjoying being home schooled and she is doing extremely well in her studies. We do ask that you say a special pray for her as well. She is having a minor issue concerning her heart. Her cardiologist seems to think it's a condition that she will grow out of. We know that all will be well because HE is the GREAT Physician.
