Hello Praying Friends and Faithful Supporters

We pray that you all had a very blessed CHRISTmas and your New Year is spiritually blessed. We have ended the year busy trying to finish the construction of the home. Praise the Lord it is almost complete. We hope to have it completed by the end of January. And it is our desire and prayer that we can begin working on the school building in March.

God Can !

Since our last update, we have been in several church services, revivals, youth meeting, and mission conferences. The Lord has allowed us to preach and present our work in new churches and we praise Him for new prayer partners and supporters. We are currently at 97% support. We give Him all the glory! We have several meetings booked in the next few months, please pray for our traveling safety and favor with churches.

WE just want to thank HIM!

We are truly grateful for our faithful supporters, and constant prayer warriors. It is by your fervent prayers and financial commitments that have encouraged us to do what God has called us too. Thank you for being a part of our AOH.

He is really ALL that matters!

Amber has completed her time with us. She went home SAVED in November. Although we miss her greatly, we are excited that she is home and doing exceptionally well. Just proof that God is all you really need. We have several families that we are talking with now about enrolling their daughter. Please pray for these families and our discernment and direction.

God is so GOOD!

We are very grateful to have been given financial donations for the commercial stove, dishwasher, and sink. We still need a commercial refrigerator and commercial freezer. We are thankful that a queen bed, microwave, and chest freezer has already been donated for the mother's dorm. Also, continue to pray for a house Mom and future staff.
