

The **COKER** Family

October - December 2016

Hello Praying Friends and Faithful Supporters

We trust that each of you had a very Merry Christmas, and we pray that each of you will have a blessed and prosperous New Year. As 2016 quickly came to an end, it sure does bless our hearts to look back and see all the GREAT and MIGHTY things that HE has done for our family and Anchor of Hope. Countless prayers have been answered; our family has learned A LOT about real faith and has grown tremendously in the Lord. We survived our first semester of Bible College, the Lord gave us grace to travel safely many miles, we blessed to have attended over 250 services and we had the honor to lead several young people to the Lord.

We are excited to announce that the framing for the girls' home is officially underway. The foundation, floor, walls and the roof are complete. We want to thank each church and individual for prayers and love offerings to help in this matter. And those that took time to come down and help in the construction. We COULD NOT have done this without your giving hearts and prayers. With the framing complete, we ask that you help us pray for the needed funds to shingle it. The approximate cost for that is \$5000. Please help us pray for this need.

TO GOD BE ALL THE GLORY!!

We want to praise the Lord for continuing to meet our every need. The Lord opened new doors and allowed us to share out burden in new churches. We had some that has partnered with us. We are now at approximately 77% support. We have some meetings already scheduled for 2017, but please help is pray that the Lord will continue to direct us to the places he wants us to go.

We do apologize for this letter being a little late. We were in the process of enrolling our first girl. We are extremely excited to share this news with you. Her name is Amber. Please pray for her. We do have other families that have reached out for information, and we are in the process of talking with them. PLEASE pray for these girls and their families. We don't know the outcome...BUT our God does! Please continue to pray for our traveling safety. We have many more miles to travel.

If you are interested in helping with the construction of this home in any kind of way, don't hesitate to contact us. We would love for you to be a part of what GOD is doing in South Mississippi!!
