Hello Praying Friends and Faithful Supporters

It is hard to believe that this year is quickly flying by. God has been so good to us! We have had the honor to be a part of some Holy Ghost filled meetings, where the Lord showed up, and we had the pleasure of witnessing several people be BORN AGAIN. Glory to His Holy Name!!

We have traveled the states of Tennessee and Georgia! We have met some amazing people, and made some lifelong friends. We also have had new partners take us on for support, bringing our support total to **21%**. Praise the Lord !

The construction of our home is moving along. We have completed the roof, and currently working on the A/C units, the electrical, finishing up the plumbing, and preparing to install the sheet rock and hang vinyl siding. Please help us pray that these things go smoothly and in order, we are looking to be moved in the new house by the end of May 2015.

Through the hands of God's faithful people, and love offerings from several churches the property where the girl's facility will be located HAS BEEN PAID IN FULL! Hallelujah! A man has volunteered his services to clear the land free of charge. Also, monies have been donated to go toward the purchase of water well.

Please join us in prayers as we prepare the plans for the facility, the finance that are needed, and faithful servants to work in the facility. Also please pray that God will continue to open doors so that we may share our burden.

God has laid a specific young lady on our hearts. Please lift her up in prayer that God's will be done in her life.

We are currently working on the construction of a website for the ministry. The web address will be anchorofhopeministries.org.
