We pray that all of you have been blessed by the New Year thus far. We are excited about what the Lord has done in our hearts and in the ministry already this year. He has given us new partners in our ministry, yoked us up with new friends, and provided us with more prayer warriors. Our Heavenly Father sure has been good to us. We are anxious to see what God will do through the ministry this year !

The Lord has blessed us with many open doors to preach the Gospel and present our burden. This year, He has allowed us to travel through 17 states, be in approximately 100 meetings, including mission conferences, and several youth meetings. It was also a blessing to witness one man get assurance of salvation and two other men receive Christ as their savior! While in Minnesota, we were able to help build a prophets chamber, and saturated some small towns with the gospel. Hallelujah !

The Lord has once again proven faithful and supplied our EVERY need. We're currently at 52% of our need support.

We are excited to begin construction on the Girl's home facility in late April. We will begin the foundation for the house and school in late April. We will be digging and pouring the footers, and the blocks will be laid. We will also be installing the septic tank for the home. We have several church groups that have kindly volunteered their time and materials to help us complete this process. And for that we are very grateful. We are still working on the legal aspects of the ministry. We must make sure that the paper work in right and in order. We do have legal advisors currently working on this. Please join us in prayer that this will be completed soon. This is a major foundation in our ministry.

Please help us pray that the Lord will continue to open doors for us to share our burden, the young girls and their families, and staff for the facility. We also ask that you help us pray that the Lord will send in all the needed material to frame up the home and school. We are also in need of a small enclosed trailer to use as a rolling closet. Please help us pray that the Lord will meet this need.

The girls have really enjoying the deputation trail. They have made new friends, and has been a witness to many others. Please continue to pray for SaVannah, we will attend her graduation ceremony in May. Rachel is almost done with her sophomore year
