We hope that this newsletter finds that everyone had a Blessed Christmas and a joyful New Year. It is hard to believe that 2014 has come and gone. As we look back on the past year, we can truly say that "We have been blessed!" God had supplied our every need through the hands of our faithful supporters and devoted prayer warriors.

We are excited that the construction of our home has begun. With the much appreciated help from our church family, fellow missionaries, and volunteers from other churches, we're about 25% completed with the home. God has allowed \$10,200 to come in to pay on the land for the facility. We only like \$4,300 to have it paid off. If you or your church would like to financially help please indicate on your check in the memo line as "land". Also if you would like to help with the construction of the building or volunteer in any other way, please contact me.

We enjoyed our first deputation trip. We were in Northeast Alabama and West Georgia. We feel that not only did we gain faithful supporters, but made some great friends in the Lord. We are thankful for the hospitality that was showed to us. We truly felt welcomed. We look forward to the New Year ahead, assembling ourselves with other believers in church meetings, and meeting even more wonderful people.

Please help us pray for our financial needs, staff for the facility, the girls (and their families) that God will send to Anchor of Hope. We have a specific young lady that we are praying about, we asked that you lift her up and pray God's protection over her, and that HIS will be done in her life.

We also ask that you continue to pray for our safe travels as we continue to raise support. We are excited that God has allowed us to reach 15% of our need support since August of 2014.

We have recently teamed up with the Redemption Baptist Ministires mission board in Newnan, Georgia. Therefore our support address has changed. Please make checks out to: RBM
