

# The COKER Family

*Hello Praying Friends and Faithful Supporters*

*January - March 2019*

What a wonderful year this has been so far. Time is really flying by. God sure has been good to us! We have been in several meetings this year already and saw God do some amazing things. We have had new churches and families to partner with us, and for that we are truly Grateful. We have also had the opportunity to be at home and travel to local meetings and attend our home church, that is also a blessing. It is always good to be home.

*Truly Grateful*

The construction of the school is moving along quickly. We are amazed that the Lord has provided most of the material that we need to finish it, we just need volunteer labors to help complete it. It is our prayer that it will be completely finished by early August so that we can get it ready for our new school year in September. Most of the material for the student's desk, and academic supplies has been donated. Please help us pray that everything will continue to come together in Gods time.

*Thankful and Blessed*

We currently have 5 young ladies enrolled at AOH. They are doing great! Some of the young ladies are growing in the Lord while others are gleaming from those that have been saved. It is amazing to watch God transform a life. We have another family that has inquired about enrolling their daughter. Her name is Audrey. Please pray for her and her family. It is our desire to take every young lady that we receive a call on. But we pray for the discernment to only enroll those that God wants us too.

*He is Faithful*

Several people have asked what our needs are. The number one need is prayer. As for as things that we need for the home is hygiene items such as shampoo, conditioner, and bodywash. We also need dish towels, and pot holders. We still have our Amazon wish list available if you would like to make donations that way. Please continue to pray that God will work in the heart of someone to come help us. Also, we are in need of a 15-passenger van. Please pray that God will lead us to the one that He would have us to have. There is 10 acers of property that is available next to AOH. With the purchase of this property, it would insure that no one could purchase or build close to AOH. Also the purchase of the this land would allow us to have a bigger garden, a small farm and addition to our facilities in the future. Thank you for you love, prayers and support for your family and ministry. *We could not do what God called us to without you !*
