

The COKER Family

October-December 2019

Hello Praying Friends and Faithful Supporters

It's hard to believe that its already 2020. We pray that you all had a blessed CHRISTmas and the new year is off to a prosperous start. As always, the Lord has been so good to us here at Anchor of Hope. He has answered many prayers, supplied every need, but most importantly He has saved souls. We have had a total of 15 young ladies enrolled at AOH since God allowed this ministry to begin. Many have changed lives and we are excited to see what the Lord has for their future. For that we give God the Glory. We are looking forward to having a busy, yet prosperous year. We had two girls return home with their families at Christmas. Please pray they will allow God to use them for HIS glory and pray His protection over them. The two young ladies we have made a profession of salvation. Please pray that we can disciple them and they can return home with their families soon. We have several parents reaching out for advice and have requested an application for their daughter. Please pray, that God's will be done, and we will enroll every single young lady that HE would have us minister too.

Amazed by His Goodness

Through the hands of Gods people, there has been \$6000 giving towards our van, We currently owe \$8000 on it, please help us pray that the Lord will send in the rest of the finances that is needed to get it paid off. If you feel lead to help with this, the monthly payments are \$339 a month, please note that the payment is for the Van, also help us pray about a residential refrigerator. Ours went out last week and it will cost us about \$700 to replace it. We are also still praying about a dorm Mother. As this ministry grows and we enroll more young ladies, we will need help. Please pray. We want God to fill her heart with this ministry spiritually, physically, and emotionally. God knows exactly who we need, and we TRUST that He will send her at the right time. Also, please continue to pray for support for the home.

Blessed Beyond Measure

We are getting ready to move in our new school. It is our prayer to begin having classes in it sometime in February. The girls are excited about the transition and they are looking forward to having more space in the new classroom. We want to say "Thank you" to all of God's people that made the construction of the school possible. It is amazing to watch GOD work through His people.

Thankful for His Grace

As many are already aware, Anchor of Hope has changed the support address. We tried to contact all our supporters to advise them of the changes, while we talked to many, there were a few that we have not spoken too. These changes will allow us to keep our support close to the ministry, as well as our home church. If you have any question or concern, please don't hesitate to contact us. The new address is Anchor of Hope PO BOX 1102 Lucedale, MS 39452. We are truly thankful and blessed that you are a part of this ministry.
