softball gloves
softballs

The COKER Family

April-June 2021

Hello Praying Friends and Faithful Supporters

What a busy year we have had thus far! God has been so good to us. New and exciting things are happening at AOH. We have been in Revivals, Camp Meetings, Mission Conference, Youth meetings and Youth camps, with more meetings on our summer schedule. We praise the Lord that we had one of the young ladies in the home to make a profession of faith at a youth camp in Mississippi. We are currently finishing up this school year and gearing up to start the next academic year mid-August. We are looking forward to what the rest of this year holds.

Jesus, Sweetest Name I Know

We have 4 young ladies, we have approximately 10 applications being considered. Miss Natalie is our newest student. She had been with us for 2 weeks. She seems to be adjusting well. Please help us pray for her and her family as she settles in and pray that her heart is tender, and she will allow the Lord to work in her heart in the early stages of her stay here. This week Miss Frankie return home to her family. This is the most heartbreaking part of the ministry, yet most exciting part of the ministry. It is hard to see them leave because we come to love them so much, but we are excited to see them return home with a renewed spirit, and a desire to please the Lord and serve Him.

Oh, How I Love Jesus

Praise the Lord, God bought the land we have been praying for. It is our desire to build a metal building that we will use as a Cafeteria, Gymnasium, and Tabernacle. We look forward to the day when we can host meetings in this place. We also have been blessed to have churches donate the funds and volunteer their time to build us a carport and porch on the back of the home. We surely have enjoyed sitting on it, taking in some fresh air and watching the girls play and enjoy some time outside.

Jesus, What a Wonderful Name.

Some people are having a difficult time finding our account on Amazon, so we have decided that attaching a list of some things that we need for the home may be an alternative option for some. We will keep our amazon list updated and available, but hopefully this method will be easier and more convenient for those who have a burden to help meet some of our needs. There are a variety of items on the list. Such as, nonperishable food, toiletries, cleaning supplies, school supplies and household items. You can send this item to our post office box or deliver them yourselves. We would love to see you and for you to see what God is doing at Anchor of Hope!

Jesus, Loves Even Me

We currently have some open dates for the late summer through the end of the year, if you would like for us to come by and present or update your church with the ministry, please contact us. Will you also help us pray that the Lord will finance the building project of the metal building. We are trusting HIM to meet the need, HE has supplied our every need thus far, there is NO NEED to doubt HIM now! We also are needing to build some classrooms onto our school to separate the younger girls from the older girls to allow more one on one instruction time, if you would like to help in financing and construction of these projects or would just like to stop by for a visit, please contact us. We would LOVE to have you. SaVannah and Rachel are doing great. Rachel graduated college in May! They are currently looking at recording another CD, please pray for them!
