

The COKER Family

July-September 2021

Hello Praying Friends and Faithful Supporters

We pray that this update finds all of you healthy and well! God has been so gracious and good to all of us! We have traveled and been in many meetings this quarter, and the Lord has kept us healthy! We have been in youth camps, Mission Conferences, camp meetings, as well as presenting the ministry to new churches. We Praise the Lord for new partners in the ministry, and for all those that labor in prayer for us!

There's No Need To Doubt Him Now

We currently have 5 young ladies, and a new girl joining us this week. Her name is Jules, please pray for her and her family as she makes the transition. Please pray God will save her in the early days that she is at AOH. Miss Natalie is our newest student; she made a profession of faith in youth camp. She seems to be growing and making positive changes in her behavior. We also have a lady from our home church join our staff, Ms. Teresa (Sister T). She is a huge asset to us. She helps with teaching the girls to crochet and sew, and she stays with them at night some. She is an answered prayer.

Tis, So Sweet To Trust in Jesus

We are looking forward to closing on the land that God has bought for us. Hopefully this process will be complete by the end of the month. We are looking forward to the metal building that will eventually be there too. We will use it for a gymnasium, cafeteria, and a tabernacle. We are trusting the Lord will save many souls on that property!

He's Still working on Me.

The Lord provided us new bunkbeds, dressers, and desks for the dorm. The girls are so excited about the new furniture; thank you all that made that possible! We have a few open dates for the remainder of the year, if you would like for us to come by for an update or present the ministry; we would be honored to do so. Also, will you help us pray that the Lord will finance and meet the needs of the building project of the metal building and the addition to the school. We also have projects that need to be completed that the Lord has already provided the financial needs and material for. We will be installing vinyl on the carport, and a sidewalk from the home to the school, we just need laborers to help us. If you're interested in helping, please contact us with dates you are available to volunteer. We would love for you to be a big part in what God is doing at

Anchor of Hope Girls Home.

SaVannah and Rachel are doing well. We are thankful for the willingness of our daughters to continue to serve the Lord in this ministry with us, while they wait on the Lord for the next season of their life. Please continue to pray for them.
