

# The **COKER** Family

January -March 2021

## **Hello Praying Friends and Faithful Supporters**

2021 is off to a great start for us! Even with limited traveling, Our Lord has been so good to us. We are thankful that we serve a never changing God, and a God that always knows what is best for us. He has supplied our every need, and SO MUCH more. We are grateful for what He has done for us thus far, and looking forward to what He has in store for the rest of the year.

### **Keep your eyes upon Jesus**

We currently have 5 young ladies, two that are 8 years old, and three that are 15. They are doing great. They are growing in the LORD and soaking up every word that is taught and preached, we had one young lady that made a profession of faith in January. Please help us pray that it was not only a profession, but a true possession of salvation. Pray that we can continue to disciple her, and she will sell her life out to serve Christ.

### **Trust and Obey**

We finally have a carport! Praise the Lord. We no longer have to unloaded everyone in the pouring down rain. We want to say "thank you" to all those that made this project possible. We are grateful for the finances, the labor, the food, and most of all the prayers. We have another group of volunteers scheduled to build a back porch on the home the first week of May. We are excited to see this project complete. We love watching the Lord add to His work. We sure are thankful for the people that God uses!

### **How Great Thou Art**

Our Amazon list is still available. (Anchor of Hope Girl's Home) There are a variety of items on the list. Such as, nonperishable food, toiletries, cleaning supplies, school supplies and household items. We have been notified that it was difficult to find our list, if this is an issue for you, please contact us and we can send a direct link to our account. We are also still in need of some outside playground equipment.

### **Great is Thy Faithfulness**

We are in the process of purchasing more land that joins our existing property. We want to use this land to construct a metal building to use as a lunchroom, a gymnasium, and a tabernacle so we can host meeting in our area. We will also utilize this property to expand our garden. We have approximately \$4,100 donated. The total cost will be \$12,500 for the property. Will you pray that the Lord will finance that project? We also have a several open dates left on the calendar for this year. If you would like for us to come by and present the ministry or give an update, please contact us. If you would like to help in any of the projects or would just like to stop by for a visit, please contact us! We would LOVE to have you! Our daughters are doing well! SaVannah has opted out of her teaching internship for this semester to spend more time in the classroom at AOH, and Rachel will be graduating in May with a dual business/accounting degree!

We are blessed to have our children work along beside us in this ministry.
